REPORT ON INTERNATIONAL WOMEN'S DAY CELEBRATION - 2022

“GENDER EQUALITY TODAY FOR SUSTAINABLE TOMORROW”

“Here's to strong women: may we know them, may we be them. May we raise them”.

-Anonymous

International Women's day is celebrated every year on 8th March to recognize the social, economical, cultural, and political achievements of women. The event celebrates women's achievements and raises awareness about women's equality and lobbies for accelerated gender parity.

Observed for the 1st time in 1911, International women's Day aims to highlight and recognize the achievements of women in different spheres while also bringing attention to important issues including women empowerment, gender discrimination that exist even today.

Advancing gender equality in the context of the climate crisis and disaster risk reduction is one of the greatest global challenges of the 21st century. Women are increasingly being recognized as more vulnerable to climate change impacts than men, as they constitute the majority of the world's poor and are more dependent on the natural resources which climate change threatens the most. At the same time, women and girls are effective and powerful leaders and change-makers for climate adaptation and mitigation. The theme of 2022 International Women's Day stated by United Nations is “Gender equality today for a sustainable tomorrow”.

St. Andrews College of Nursing, Pune observed International Women's Day-2022 on 8th March 2022 in the College Auditorium. The Faculty of St. Andrews College of Nursing, under guidance of Lt.Col. Shobha Naidu (Retd), Principal, organized a program for all the ladies in the different department of N.M Wadia hospital, College of Nursing, Transworld admin. Department, School of Nursing and College of Physiotherapy. Brig. Jannet Dean (Retd), Nursing Director was the Chief Guest on the occasion. Program commenced at 11.00 am with a

Prayer followed by Prayer song. Chief Guest shared a word on Gender equality and how to sustain self in the existing world Scenario.

Details regarding of various women empowerment schemes by Ministry of Women and Child development sector, India, was introduced by Miss. Pranali Samudre, Followed by inauguration of Information Booklet on “Women empowerment schemes” done by the chief guest. The same was shared with all the ladies in the Campus.

Few videos were shown to beautiful ladies to motivate themselves to keep oneself healthy, both physically mentally and be financially independent. We also had an entertainment session to make their day. Each one was given a small token of love.

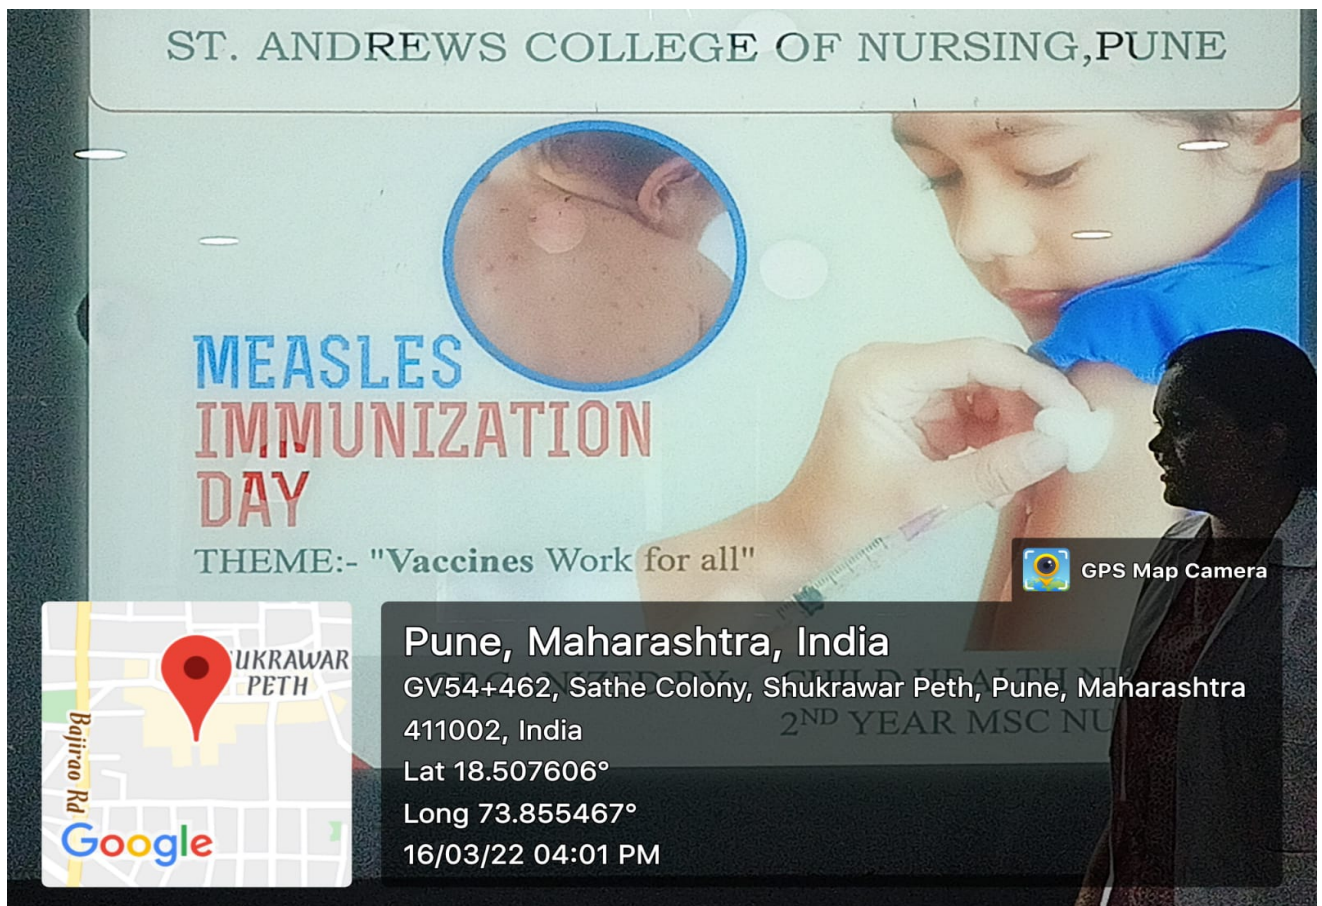

The program was concluded by vote of thanks.

We are grateful to Maharashtra University of health sciences, Nashik for giving this opportunity to re-discover ourselves and enjoy the day with greater enthusiasm ‘for being a women’.

St ANDREWS COLLEGE OF NURSING

Measles's day report

Measles Immunization Day is celebrated on 16th march every year to make people aware about this deadly disease and how they can deal with the same. There is no specific treatment for measles but there is a vaccine to protect from the disease, which is both safe as well as cost effective. Young children, who don't receive measles immunization, are at highest risk of measles and its complications, including death.

Objectives:-

1. To understand about the programme and incidence and welfare services to prevent spread of measles infection.
2. To develop awareness and educate about measles day programme

St. Andrews College of Nursing celebrated Measles Day with great zeal and enthusiasm on 16th March 2022 at 4:00 pm. For this programme pediatric department along with all faculty members were present.

Presentation was performed on II nd year Bsc Students.

The programme was organized by II nd year Msc Students, Introductory session was taken by Miss Heena khan, Second session was taken by Miss. PriyankaBiradar, third session was performed by Miss. Elizabeth Gorge.

The highlight of the topic were Measles recent incidence rate and brief about disease condition, Strategies to prevent measles infection, measles vaccine and maintaining cold chain.

The session was informative to students and students listen the session carefully.

Conclusion:-

Over All measles Day Celebration was good and whole programme was conducted in a systematic and organized manner and the event ended by 4:30 pm.

ST. ANDREWS COLLEGE OF NURSING

Report on International forest day

“The future is in our hands

Let’s take a stand to

Preserve the land”
