

## ABOUT US

St Andrews College of Nursing was established under St Andrews Education Foundations in the year 2006. The institute has made stellar progress in more than one decade with an annual intake of 40 Basic. B.Sc Nursing and 30 Post Basic B.Sc. Nursing students. The year 2019 has remarkably added momentum by the addition of M.Sc. Nursing, course.

The college has alluring infrastructure and facilities, which are conducive for effective learning. The labs and the library are continuously upgraded with latest teaching aids and books. Student's hostel is located in a beautiful and well secured campus of N.M Wadia Hospital. The dedicated team of teachers and administrative staff is striving continuously towards academic excellence.

The vision of St. Andrews College of Nursing is to build competent Practitioners, Nurse, Administrators, Nurse Educators & Researcher capable of giving leadership in fulfilling the dream of a healthier tomorrow for India and being a partner with shared accountability in this domain nationally & internationally.

St Andrews College of Nursing believes that true education is the harmonious development of the individual's spiritual, mental, social, and physical being that shapes their value system & their outlook towards life, to steer the individual to this philosophy.

## HOW TO REACH US?

St Andrews College of Nursing is located in the heart of Pune city. It is located in the campus of N. M. Wadia hospital, Shukrawar Peth, Pune. It is very close to Swargate, the main bus stand of Pune and is well connected by road, rail & air. The railway station is located about 4 km away. Pune also has a well-connected international airport. Mumbai- Pune express highway ensures a 3 hours drive from Mumbai to Pune.

## WELCOME

Dear Sir/ Madam,

We cordially invite you to participate in the National conference on 'Social Impact of Technology- Driven Education', organized by St. Andrews College of Nursing, Pune.

The highlight of this conference is seen as basis of educational development of any nation as no educational system can survive without technological advancement in today's scenario. The positive social impact of technology based learning includes development of employable individual, collaborative learning, improvement in research process, globalization, non-geographical limitation and increase in the population of educated people.

**General Objective:** Exploring the social impact of technology on education for the purpose of adopting strategies include its positive effects and overcome the negatives.

### Specific Objectives

At the end of the conference the group will be able to

1. Canvass modern concept of technology driven – Education.
2. Discuss the Impact of Technology driven – Education.
3. Explore the Neoteric Technologies in Nursing.
4. Analyze simulation as a skill enhancement technique.

### Criteria for scientific paper/ poster presentation 1.

1. The participant should be registered for conference, Poster/ paper should be related to the theme or the subject theme of the conference.
2. Flex material only, 3.5ft width and 4ft, height. Graphs, drawing and illustration should be self-explanatory or have short notes.
3. The scientific committee reserves the right to accept or reject a poster/ paper.
4. The abstract for the paper/ poster should be submitted via e-mail to:  
**conferencesacon@gmail.com** on or before Dec.5, 2019.
5. Kindly mention the subject of the e-mail as: "scientific poster/paper presentation"
6. Acceptance will be conveyed via e-mail.

## Social Impact of Technology- Driven Education
